THE PROPERTY

111 Victoria Grove is a very attractive and substantial end of terrace Edwardian house, with a long west-facing garden within just 5 minutes' easy level walking distance of the town centre. It is believed to have been built in circa 1885, having classic brick elevations under a slate roof and under the current ownership, subject to extensive refurbishment and modernisation.

The house boasts a generous floor area of about 1644sqft, arranged over four floors and enjoys a south-facing rear aspect with lovely views both to the front and to the rear over the town, adjoining meadows and surrounding countryside, taking in the well know viewpoints of Coneygar and Allington Hills.

The house benefits from all up to date modern amenities including upgraded gas-fired central heating with pressurised hot water system, upgraded bathroom and shower room and well equipped kitchen with electric oven and hob, part replacement double glazed windows and a wood burner to the living room.

Lovely character features, typical of its age and type, include high ceilings, deep skirting boards, bay windows, decorative mosaic tiled floor to the hall, picture rails, ornate fireplaces, stripped pine doors, wood panelling, painted floorboards and ornate cornices.

OUTSIDE

The house sits right back with attractive small front garden with low brick walls.

The house has its own pedestrian right of way giving access to a rear side pedestrian gate.

The attractive long rear garden enjoys a sunny west-facing aspect and backs onto fields with a rear pedestrian gate. The garden is walled and attractively laid out and well stocked with a wide variety of shrubs and specimen trees, flower/shrub beds, brick terrace and pathways, apple/fruit trees, palm tree, one small and one large nature ponds and a greenhouse.
