tucked away behind a gated pedestrian entrance in the heart of Hastings Old Town, this exceptionally spacious four double bedroom period townhouse offers a rare blend of character, privacy, and convenience.

Burdett Place is perfectly positioned just moments from a vibrant mix of cafés, pubs, restaurants, art galleries, and the seafront, including the beach huts and the iconic East and West Hills.

Arranged over four floors, the accommodation is both versatile and generous. The ground floor features a welcoming reception room leading through to a kitchen/breakfast room, with access to a private courtyard garden complete with storage and an outside WC. On the first floor, there is a bay-fronted reception room which could serve as a fifth bedroom, alongside a family bathroom. The second and third floors each host two well-proportioned double bedrooms, completing the layout.

The property has recently been enhanced with redecoration to the front façade and refurbishment of the bay window. Further benefits include gas central heating and being offered chain free.

A unique home in a highly sought-after location—early viewing is strongly recommended by sole Agents, Just Property.
