Fossil Cottage

You enter the property into the spacious entrance hallway which then has doors to all ground floor accommodation. The living room is a generous & bright space, ideal for a relaxing at the end of a day. The kitchen/breakfast room has a host of tasteful shaker style units and is complemented by a separate dining room. There is also a useful downstairs toilet. Upstairs, there are three good sized bedrooms. The principle room is served by a well finished en-suite shower room, whilst the others have use of the family bathroom.

The rear garden is majority laid to lawn with a stunning patio area that's recently been laid, ideal for al-fresco living. Further benefits include a driveway, integral garage, UPVC double glazing and gas central heating.

With the property being built in 2016, it strikes the perfect balance between the conveniences of owning a modern home but still maintains a characterful feeling throughout. Also, situated in the West of Upton, the home is ideally located in order to access a host of favoured amenities - this includes favoured schooling for all ages being within walking distance.

With our vendor suited, we encourage internal viewing at your earliest convenience in order to appreciate what this property offers. To arrange, please call our Upton Office!
