THE LOCATION

Norton Road is a highly regarded residential road on the north-east side of Letchworth. No 35 is within a mile and a quarter of the town centre and the mainline railway station. Letchworth Garden City is on the Cambridge to London mainline with the fastest service to London King's Cross taking just 29 minutes and Cambridge 27 minutes away in the other direction. The centre of Norton, one of the three ancient villages absorbed by the Garden City, is just a third of a mile away and provides a pub, the highly regarded St Nicholas Primary School and the historic parish church. Junction 9 on the A1 (M) is 2.6 miles away by car, as is Junction 10.

Designed in the early 20th Century to combine the benefits of town and country, Letchworth Garden City was the world's first example of this concept and succeeds to this day in achieving its aim. The town provides excellent schools, shops, leisure facilities and green open spaces, the most impressive of which, the 63-acre Norton Common, is only half a mile away.
