IF YOU LIVED HERE...

Step inside and the hallway leads you through the home, with the reception room positioned at the front. This is a generous, characterful space, with a large bay window drawing in plenty of natural light and high ceilings adding to the sense of openness. There's room here for relaxed evenings, hosting friends or creating a comfortable dining area if needed.

Further along the hall, the two bedrooms are well arranged away from the main living space, each offering comfortable proportions and a quieter position within the home. The newly fitted bathroom is also conveniently accessed from the hall and includes both bathing and showering options, with a fresh finish that feels clean and contemporary.

To the rear, the kitchen enjoys a bright outlook across the garden, with direct access to outside that will be especially welcome in warmer months. The private rear garden extends to around 60ft, with space for outdoor dining, planting and play, while side access

adds a useful everyday detail.

A WORD FROM THE OWNER...

"I moved here 8 years ago when my daughter was small and we've both grown and made a lot of memories here. It's great for schools and is located on the doorstep of Epping Forest which is perfect for long walks. It's also close to South Woodford Tube Station and all the local amenities of George Lane. It's been a real treat living here. The best of all worlds!"
