Sympathetically refurbished throughout to an exceptional standard, the apartment beautifully combines the character and grandeur of the Regency era with the comforts of modern living.

A comprehensive programme of refurbishment and redecoration has seen significant investment throughout, while original architectural features, including impressive high ceilings and magnificent floor-to-ceiling sash windows, have been carefully preserved. The result is an elegant, light-filled home that seamlessly blends historic charm with contemporary living, ready to be enjoyed from the moment you move in.
