Coachmans Cottage is an exceptional example of a converted one bedroom apartment, with lovely sea views over Mounts Bay to St Michael's Mount and beyond. The property is being used as a successful holiday let and the majority of fixtures and fittings can be made available by separate negotiation. In recent years, planning permission was granted to convert the roof into further living accommodation, which has now lapsed, W1/08-0741; this would maximise the living accommodation. There is a garage behind the property which is for the sole use for Coachmans Cottage.
