Located in the charming village of Beetham, this detached property offers a rare opportunity for buyers looking to renovate and personalise a home to their own tastes. In need of modernisation throughout, the property provides a blank canvas for those seeking a project in a highly desirable village location, with easy access to local amenities and excellent commuting links. Inside, there is a spacious, bright lounge/diner with an open fire and access to a cellar, alongside a separate kitchen and porch. Upstairs, the accommodation comprises two double bedrooms, including a master with en-suite, and a family shower room. Externally, the property benefits from established gardens and a large detached barn with a separate garage and outbuilding, offering versatile space for storage or potential conversion, subject to planning permission.
