SELLER'S SECRET

It's a great home and area for families, with loads of space and plenty going on in the local area too! The double garage was a real deal maker for us when we bought the house, and has proved to be extremely useful over our time here.

Why we like it....

This house certainly offers plentiful space, all of the bedrooms are a great size, and especially the impressive master bedroom. The floorplan is super-versatile too with the addition reception rooms.

To buy or not to buy....
