A well-maintained and versatile chalet bungalow in sought-after Galmington, offering spacious accommodation, mature gardens, parking and exciting potential to further improve.

THE ACCOMMODATION BRIEFLY COMPRISES

A well-presented and much-loved chalet bungalow in the popular Galmington area of Taunton, offering flexible accommodation over two floors and plenty of scope for further development.

The property has been exceptionally well maintained and offers comfortable, ready-to-live-in accommodation, while providing an exciting opportunity for the new owner to update and personalise it to their own taste. It retains some of its original features, including the Warm Air Circulation central heating system, which has been regularly serviced.

On the ground floor, there are two bedrooms, a bathroom, a generous kitchen/dining room overlooking the rear garden, and a large sitting room. Bedroom 2 also provides access to a further useful room, currently used as an additional space but offering potential as a fourth bedroom, home office or hobby room. This room also has direct access to the rear garden.

Upstairs is a generous principal bedroom with an adjoining shower room, providing a good degree of privacy and flexibility for family living or visiting guests. The first floor also gives easy access to a large loft area, which offers potential for conversion, subject to the necessary planning permissions and building regulations.

Outside, the property benefits from a pretty, mature rear garden, with established planting and a useful greenhouse. To the front, there is off-road parking for two cars, together with a further area of garden which could potentially be adapted to provide additional parking, if required.
