****A TRULY IMMACULATE EXTENDED FOUR BEDROOM DETACHED FAMILY HOUSE SET IN THIS NON-ESTATE VILLAGE LOCATION WITH NO CHAIN****

This impressive open plan family home has undergone an extensive modernisation and refurbishment programme over the last six years with changes to the layout which will appeal to the modern day family.

The highlight is the open plan living/kitchen/dining area with its central island featuring two sets of French doors providing not only a light and airy feel, but overlooking the well presented unoverlooked south westerly facing rear garden. There is also independent access to the garden via the side lobby as well as access to the cloakroom and utility.

The first floor doesn't disappoint with four generous bedrooms, an En-suite shower room and well presented sizeable family bathroom. The whole property is sympathetically decorated and presented in truly immaculate order.

Outside there is parking for 7/8 vehicles and access to a garage. The rear garden is established and benefits from two outbuildings (one an office/studio/gym), the other a potential workshop/gym.

An early appointment to view this property internally should be made at your earliest convenience to avoid genuine disappointment.
