DESCRIPTION

A particularly attractive opportunity to acquire a traditional two-bedroom semi-detached cottage, offered for sale by public auction and presenting excellent scope for improvement, refurbishment and value enhancement.

The property occupies an elevated setting and enjoys well-proportioned accommodation extending to approximately 1,045 sq ft, together with a useful detached outbuilding.

The internal accommodation currently comprises an entrance porch leading into the principal reception room with bay window, opening through to a separate dining room, which in turn gives access to the kitchen, utility and ground floor cloakroom/WC. A useful rear store further enhances the practicality of the layout.

To the first floor are two generous double bedrooms and a family bathroom, with the accommodation lending itself well to sympathetic modernisation.

Whilst the property would now benefit from a comprehensive programme of updating, it offers excellent potential for those seeking a project, whether for resale, investment or owner occupation

OUTSIDE

The property is approached from the roadside frontage with steps rising to the front entrance and a parking to the side.

To the rear is a particularly generous sloping garden arranged over several tiers, featuring mature trees, established shrubs, pathways and retained sections, all of which provide excellent scope for landscaping and the creation of an impressive outdoor space.

A detached brick outbuilding/store offers useful ancillary storage and could lend itself to workshop or hobby use.

SITUATION

The property occupies a convenient position within easy reach of local amenities and road links, whilst still enjoying an elevated outlook to the rear. The setting combines practicality with the opportunity to create a charming character home in an established residential location.
