| Energy Efficiency Rating                    |  | Current | Potential |
|---------------------------------------------|--|---------|-----------|
| Very energy efficient - lower running costs |  |         |           |
| (92 plus) A                                 |  |         |           |
| (81-91) B                                   |  |         |           |
| (69-80) C                                   |  |         |           |
| (55-68) D                                   |  |         |           |
| (39-54) E                                   |  |         |           |
| (21-38) F                                   |  |         |           |
| (1-20) G                                    |  |         |           |
| Not energy efficient - higher running costs |  |         |           |
| England & Wales                             |  |         |           |
| EU Directive 2002/91/EC                     |  |         |           |

| Environmental Impact (CO <sub>2</sub> ) Rating                  |  | Current | Potential |
|-----------------------------------------------------------------|--|---------|-----------|
| Very environmentally friendly - lower CO <sub>2</sub> emissions |  |         |           |
| (92 plus) A                                                     |  |         |           |
| (81-91) B                                                       |  |         |           |
| (69-80) C                                                       |  |         |           |
| (55-68) D                                                       |  |         |           |
| (39-54) E                                                       |  |         |           |
| (21-38) F                                                       |  |         |           |
| (1-20) G                                                        |  |         |           |
| Not environmentally friendly - higher CO <sub>2</sub> emissions |  |         |           |
| England & Wales                                                 |  |         |           |
| EU Directive 2002/91/EC                                         |  |         |           |

Gary Townsend at Paul Mason Associates offers this well presented three bedroom mid-terraced family home positioned on a popular road in the heart of Writtle village. The ground floor consists of an entrance hall, spacious lounge and modern fitted kitchen / dining room overlooking the rear garden, To the first floor are three bedrooms and a modern fitted family bathroom.

The property is situated in the historic village of Writtle, located to the South West of Chelmsford close to the Hylands Park & Estate, and is desired for its picturesque Green (complete with duck pond) and Norman church. It has a convenient selection of shops including a post office, a butcher’s shop, tea rooms, plus a supermarket and other independent shops surrounding the village green. It also benefits from a range of highly regarded restaurants and pubs. There is a pre-school, a primary school and a senior school and it is also home to Writtle College (part of Anglia Ruskin University); one of the UK’s oldest and largest agricultural colleges.
