Location

Forming part of the Borough of Oadby & Wigston, Wigston Magna lies 5 miles south of Leicester city centre. With Knighton forming the northern border and Oadby to the east, the A5199 leaves Wigston to the south providing access to some of the county's most delightful countryside with a number of charming villages nearby. By the middle ages, the village of Wichingstone had become known as Wigston Two Steeples or Two Spires as it was unusually, the home of 2 spired churches known today as All Saints & St. Wistans.

The village has grown into a thriving town in recent years with a number of housing developments spreading in all directions around the busy town centre. With a selection of day to day facilities, public houses and restaurants, the town centre has a good selection of shops..
