Driveway providing ample off-road parking

Two bathrooms, two reception rooms, conservatory, kitchen, and utility room

Sought-after Nottage location in a private cul-de-sac

Situated in the highly sought-after village of Nottage, within walking distance of Rest Bay beach and local amenities, this deceptively spacious four-bedroom detached bungalow is positioned in a private cul-de-sac. The home boasts a south-westerly facing rear garden and, thanks to a previous extension, offers fantastic potential for multi-generational living, large families, or those seeking a traditional bungalow with additional reception or hobby rooms. A truly versatile property that must be viewed to be fully appreciated.

The property is entered via a part-glazed composite door into a welcoming entrance hallway with newly fitted carpet. This section of the bungalow has been extended and features wooden glazed doors leading to an inner hallway, providing access to the lounge, kitchen, three bedrooms, and shower room. The extended hallway continues on to the sitting room, bathroom, and utility room. The lounge is an impressively sized reception room with carpet flooring, opening through to the conservatory. This bright, airy space benefits from a pleasant outlook over the garden. The conservatory features tiled flooring, UPVC double-glazed windows, and French doors opening onto the garden. Its flexible layout allows it to serve as part of a lounge-diner or as an additional multi-purpose room. The kitchen is fitted with a matching range of base and wall units, rolled-edge work surfaces, fully tiled walls and flooring, and a stainless steel sink with mixer tap. There is space for an oven, fridge-freezer, and plumbing for two appliances. Dual-aspect UPVC double-glazed windows and a part-glazed PVC door provide natural light and access to the garden. The kitchen also accommodates a dining area.

The main bedroom is a generously sized double with carpet flooring and a front-facing UPVC window. Bedrooms two and three are further well-proportioned doubles, each with carpet and double-glazed windows. The shower room is currently arranged as a wet room with an electric overhead shower, low-level WC, wash hand basin, fully tiled walls, and an obscure glazed side window. Two storage cupboards, one housing the combination boiler, are also located off the hallway. The utility room is a practical and spacious area fitted with base and wall units, worktops, a stainless steel sink, mixer tap, and plumbing for appliances. A front-facing UPVC window and vinyl flooring complete the space. The family bathroom comprises a four-piece suite including a low-level WC, pedestal wash basin,

panelled bath, and separate shower. The walls are half-tiled with full tiling in wet areas, complemented by vinyl flooring and an obscure glazed window. The sitting room offers another generous reception space with carpet flooring and access to both the conservatory and the fourth bedroom. Bedroom four is a large double with carpet flooring and a side-facing UPVC window overlooking the garden.

Externally, the property benefits from a landscaped front driveway, providing ample off-road parking for multiple vehicles. To the rear, a fully enclosed south-westerly facing landscaped garden features a large patio area, low-maintenance astro turf, and mature shrub borders.
