If you are searching for a turn key property close to all the excellent convenient positions, close to schools, amenities and the fabulous Strawberry line foot and cycle path, then 10 The Grove could be the house for you. Recently modernised, the property is ready to simply move in, unpack and start living.

The property is approached via a good sized driveway to the front that leads to an integral single garage, there is a pretty lawn front garden and access to the rear of the house to both sides. You enter the house under a handy storm porch that then leads into a spacious entrance hallway with an understairs cupboard. To the left of the hallway a door leads you into the sitting room, another bright and airy room showered in natural light from its large west facing window, a feature stone fireplace provides a lovely focal point to the room, an open arch flows through from the sitting room into the dining room giving the rooms combined a fantastic dual aspect. French doors to the rear of the dining room allow easy access out to the garden and an internal door continues into the kitchen.

The kitchen has recently been installed featuring a sharp modern run of wall and base units in a contemporary high gloss, battleship grey colourway; the units are complemented by a contrasting square edged black countertop. There is provision for white goods and space for a cooker as well as a new sink and drainer.

The rear facing window looks out over the garden and there are two internal doors, one leading back into the entrance hallway and the other to a useful lobby and ground floor cloakroom. The lobby provides another door to the garden as well as having a connecting door to the rear of the garage.

On the first floor there are four double bedrooms all tastefully decorated in neutral colours and benefitting from recently laid carpets. The bedroom which is situated above the garage also features a vanity sink and a door leading to an area of flat roof above the garage, which has the potential to be utilised as a balcony but would need safety railings installed as a safety precaution. It is worth noting the superb views that can be enjoyed from the balcony beyond the neighbouring houses opposite. Finally, completing the first floor is a well appointed family bathroom featuring a full white suite and separate shower cubicle.

The house is neutrally decorated throughout with crisp white walls and gloss work, newly installed carpets and floor coverings and even a new boiler.

Outside, the rear garden is generous and fully enclosed with a large area of level lawn, there are a number of ornamental flower beds, a green house, patio area and several small trees, shrubs and flowers. The garden also features new fencing to all sides.
