The primary residence is a beautiful barn conversion, of approximately 2500 sqft with vaulted ceilings, exposed timbers and many unique features.

The accommodation comprises a vaulted reception hall with exposed timbers and oak flooring. There are six bedrooms including the master bedroom with a dressing room and a luxury ensuite bathroom. There are two further bathrooms, which service the other bedrooms. The sitting room has a high vaulted ceiling with feature window and exposed timbers, feature fireplace with woodburning stove. The kitchen/dining/family room is a generous family space, again with a vaulted ceiling and exposed timbers with French doors to the garden. The kitchen area is fitted with attractive cabinetry, ample granite working surfaces with a peninsula, again with a granite top, a range style cooker with an extractor, integrated dishwasher, space for a fridge-freezer. There is a handy utility room just off accommodating the usual white goods and a freestanding, oil-fired, central heating boiler, plus a door to the outside.

There is private parking for both the primary residence and the annexe. The barn has lawned gardens on all sides with a generous paved patio, flower and shrub borders and a selection of mature trees and bushes, all enclosed by hedging and enjoying good levels of privacy. The annexe has its own rear garden, which has been seeded to lawn. There is a large garden shed with oak barn for garden tools and storage.

The potential rental value for the annexe is approximately £1,800 per month.
