Stanbridge Road

Leighton Buzzard, LU7 4QW

We are delighted to offer for sale with no upper chain this three bedroom semi-detached family home situated on the established Stanbridge Road. Built in 2010 - offering the reassurance of modern construction without the feel of a large new build development - this excellent family home combines contemporary styling with generous proportions, ample driveway parking and south-easterly facing rear garden. Viewing is highly recommended to fully appreciate the versatile layout on offer.

Location:

Stanbridge Road remains an exceptionally popular location for first time buyers and families looking for popular schooling, good transport links, local parks and shops, whilst remaining close to the historic market town centre. The property is well situated for access to road transport links, with the nearby by-pass providing easy access to Aylesbury and Milton Keynes, and further afield via the M1 junction 11A. Additionally, the mainline train station provides regular trains to London Euston in as little as 30 minutes.

Ground Floor:

The accommodation begins with a welcoming entrance hall providing doors to the kitchen/breakfast room, lounge and cloakroom/WC, with stairs rising to the first floor. The cloakroom/WC sits to the right and is finished with a tiled floor, while the remainder of the ground floor benefits from attractive engineered wood flooring, creating a cohesive and high-quality feel throughout. The kitchen/breakfast room is both stylish and practical, fitted with a range of wall and base level units complemented by integrated dishwasher, fridge freezer, double oven and hob with hood over, plus space for a washing machine. An area to rear of the kitchen would comfortably accommodate a breakfast table. The lounge is a well-proportioned and inviting space with ample room for a variety of furniture arrangements. Double glazed French doors open into the conservatory, which has been significantly enhanced with an insulated roof - allowing this versatile space to be enjoyed comfortably all year round. From here, there are pleasant views over the rear garden.

First Floor:

The first floor landing provides access to two generous double bedrooms and the family bathroom, along with a built-in storage cupboard and stairs rising to the second floor. Both bedrooms on this level are excellent sized doubles, one facing the front aspect and the other overlooking the rear garden, each offering ample space for wardrobes and additional furniture. The family bathroom has been fitted with a four piece suite comprising of a low level WC, wash hand basin, panel bath and walk-in shower cubicle. Stylish tiling completes the space, creating a modern and well-appointed finish.

Second Floor:

The master suite occupies the top floor, offering a spacious and private retreat. The landing benefits from natural light via a Velux window. The master bedroom itself is a generous room with ample space for a full range of bedroom furniture. An adjoining ensuite shower room comprises low level WC, wash hand basin and shower cubicle, completing this well-designed suite. Notable to the second floor is the eaves storage to both front and rear, which spans the width of the property, adding convenient storage.

Outside:

To the front of the property, the driveway provides off-street parking for multiple cars and there is gated access to the rear. The rear garden features a small paved patio area which sits directly off the conservatory, while the remainder of the garden is laid mainly to lawn and enclosed by panel fencing. A timber shed is neatly positioned to one corner.
