If you want easy living in SK7, this is a really good shout. Ground-floor, fresh inside, and you can honestly just move straight in- no messing about.

Inside it's simple and it works. You've got a proper double bedroom, a bathroom, a good-sized living room that feels airy, and a kitchen that leads straight out to the garden (so in summer

you're in and out with drinks and snacks without trekking through the place). There's also a handy storage cupboard, which you'll be grateful for the minute you move in.

Outside, the garden is a real bonus- your own space for a brew, a bit of pottering, or just somewhere to sit in peace. And it comes with a garage too, which is great for storage, bikes, or keeping the car out of the way.

Location-wise it's spot on. Bramhall Park is an easy walk, and you're right between Bramhall, Hazel Grove, Davenport and Woodsmoor, so getting anywhere is easy- shops, trains, cafés, all close by.

In short: a fresh, airy ground-floor flat with a proper double bedroom, good-sized living room, kitchen out to a private rear garden, handy storage, and a garage- chain-free, and in a great SK7 spot near Bramhall Park. First-time buyer, downsizer, investor- this one just works. Come and have a look.
