DESCRIPTION

Low Wood House is a well presented, individually appointed family home, extended in 2014 and again in 2019 to create a spacious four bedroom property.

Set within a generous plot, the home enjoys attractive outside space and a desirable position overlooking the open countryside.

The property is entered via a welcoming porch leading into the main hallway, which provides access to the ground floor accommodation and staircase to the first floor.

At the heart of the home is a bright kitchen/dining area, enhanced by a stunning orangery that floods the space with natural light. Bi-folding doors open onto the rear patio, while a multi-fuel 8kW stove adds a cosy focal point.

The kitchen is fitted with a range of wall and base units with granite worktops, alongside integrated appliances including a Smeg oven, fridge, and double Belfast sink, with a pleasant outlook to the rear.

A useful utility room and WC provide additional practical space, with gloss 'Pebble' units, a wash basin, and direct access to the garden.

The welcoming sitting room is bright and stylish, with large sliding doors opening onto the rear garden, together with a contemporary 5kW log-burning stove, set within a tiled feature wall.

To the first floor, there are four bedrooms. The generous principal bedroom benefits from a modern en-suite with a walk-in shower, wash basin, vanity unit, touch-screen mirror, and WC. The remaining bedrooms are served by a spacious family bathroom, and all but one feature partly fitted wardrobes.

Externally, the property offers a wrap-around patio ideal for outdoor entertaining. The attached garage is fitted with an electric up-and-over door, power points, and an electric vehicle charging point, offering excellent storage.

To the front, there is a lawned garden and private parking for three vehicles.

Overall, Low Wood House is an excellent family home, and early viewing is highly recommended.
