THE DWELLING

A simply stunning and much extended detached property, which has gas central heating, sealed unit double glazing, attractive timber doors and is very spacious throughout.

The property, which has lovely views from virtually all rooms represents a very rare opportunity to acquire a substantial home in this always desirable village, and early viewing is essential.

SITUATION

South Petherton is a picture postcard village with excellent village amenities including OFSTED "Outstanding" Infant and Junior schools, tennis courts and club, recreation ground, independent shops including butchers, and a Co-op store. It also has a recently opened and well-regarded restaurant "Holm", a recently reopened Wine shop that opens as a Wine Bar on some evenings, and the local pub The Brewers Arms, which is also a very popular venue. The village has its own modern hospital that carries out a range of NHS services and has a useful late-opening Pharmacy. Not far away at Lopenhead is the iconic "Pip's Café" and adjoining Trading Post Farm shop, loved by residents for its delicious locally sourced produce. Frogmary Green Farm on the outskirts of South Petherton offers lakeside walks and a small outdoor cafe/cake shop called Daisies. From the Esso station on the edge of the village is the regular Berry's Superfast bus service to London Hammersmith.

ACCOMMODATION

A storm porch has a part-glazed entrance door leading to the reception hall, having attractive flagstone flooring and a storage cupboard.

The sitting room is a very good size dual aspect room, having a window seat to the front and a lovely central feature Hamstone fireplace with a wood burner.

There is a large dining room again having a window seat to the front and a Hamstone fireplace with wood burner, timber floor, storage cupboard and a staircase rising to the first floor.

The kitchen breakfast room is a very good size, being dual aspect with a comprehensive range of units with granite worktops and cream doors with gun metal door furniture. There is a one and a half bowl Belfast sink unit, a dishwasher, a four-oven Aga, a fully fitted corner fridge, an island unit with oven and microwave, French doors to the rear and underfloor heating.

A wide arch leads to the living room, which is triple aspect, having a fantastic vaulted ceiling with timber Velux roof lights, double-glazed doors to the rear and a tiled floor with underfloor heating, whilst there are three attractive feature slim windows.

Also on the ground floor is a useful utility room fitted with a range

of units matching those in the kitchen and also having a Belfast sink. Off here is a shower room with a white suite and a shower cubicle.

On the first floor is a landing with a storage cupboard and a staircase rising to the second floor, whilst there are three double bedrooms, with the master having two windows to the front and two double fitted wardrobes. Bedroom two also has two double fitted wardrobes and an attractive Juliet balcony to the rear with an ensuite shower room with a white suite.

Also on the first floor is a family bathroom again with a white suite and a shower cubicle.

On the second floor is a very good size games room/living area and a lovely vaulted ceiling with exposed timbers, whilst a glass door and matching side screens lead to bedroom four. Bedroom five is also accessed via the living area.

OUTSIDE

To the front of the property, there is a small area of garden with mature trees. Whilst to the rear, the garden is a very good size being laid to lawn with a patio, mature trees, a seating area, and raised and gravel beds, with the gardens very much needing to be seen to be appreciated.

At the side of the house, the driveway leads to an area of extensive

parking for 5/6 vehicles, which in turn leads to a double garage with an electric up-and-over door and a carport to the side. Through here you can access a further area of ground, which could be used as gardens or a small paddock.

DIRECTIONS
