DESCRIPTION

A spacious two-bedroom ground and lower-ground floor maisonette, occupying an enviable position at the top of Lamplugh Road, just moments from Bridlington's popular North Beach and within walking distance of the town centre. The property offers generous and versatile accommodation, together with a large rear garden, off-road parking and integral garage.

The property is entered via a useful porch and entrance hall, leading into the impressive open-plan lounge and dining room. A bright and spacious room, this provides a fantastic blank canvas for the new owner to personalise, with ample space for both living and dining furniture and pleasant views over the rear garden. The adjoining kitchen is fitted with a range of wall and base units, integrated hob and oven, while a separate utility room provides useful additional space and access to the garage.

Also on this floor is a large double bedroom positioned to the rear of the property, benefiting from excellent storage, along with a bathroom fitted with a three-piece suite including bath with shower over. Stairs lead to the lower-ground floor, where there is a further double bedroom and a versatile garden room. Sliding doors provide direct access onto the rear garden.

Outside, the generous rear garden is a fantastic addition, featuring a paved patio seating area, raised lawn and flower borders, providing an ideal space for relaxing and entertaining. The property also benefits from a driveway and a single garage.

The area is particularly popular for its proximity to the coast, while the town centre is also within easy reach, providing a good range of shops, cafés, restaurants and everyday amenities. The popular coastal village of Sewerby is also just a short distance away. With scope for modernisation and the opportunity to create a home tailored entirely to your own taste, this is an exciting opportunity for a range of buyers!

ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
