Inside Story

A exceptional country residence offering an enviable combination of refined family living, privacy and outstanding equestrian facilities, set within approximately 1¼ acres of beautiful grounds.

Approached via gated access onto a private shared driveway serving just one other property, the setting immediately creates a wonderful sense of seclusion and exclusivity. With extensive grounds, stables, a manège and paddock, this is a rare opportunity to enjoy a country lifestyle with your horses quite literally on the doorstep. The beautifully appointed accommodation begins with a welcoming hall leading to an elegant dining room, complete with bay window and French doors opening into the impressive living room. A log burner provides a cosy focal point, while bi-fold doors open onto the garden, creating a seamless connection between the home and its surroundings.

At the heart of the property is the superb open-plan breakfast kitchen and family room, designed equally for relaxed family living and entertaining. The kitchen features fitted cabinetry, integrated appliances and a substantial central island with seating, while a second log burner adds warmth and character. Further bi-fold doors flood the room with natural light and open directly onto the outside space. A useful boot room/utility and WC complete the ground floor.

Upstairs, three generous double rooms provide comfortable accommodation. The principal bedroom enjoys built-in wardrobes and a luxurious en-suite featuring a bath and separate walk-in shower, complemented by a well-appointed family bathroom.

Outside, the property truly comes into its own. Beautiful gardens and generous patio areas create an exceptional setting for outdoor entertaining and relaxation, leading to the stables, manège and approximately 1¼ acres of land. Equestrian facilities provide an excellent opportunity for those looking to keep, exercise and enjoy horses from home. A car port and extensive parking finish this remarkable home.
