A welcoming entrance hall with stylish Amtico flooring, which continues throughout the ground floor, leads to a beautifully appointed contemporary kitchen featuring elegant Silestone worktops, a comprehensive range of integrated appliances, a whisper quiet washing machine, an instant hot water tap and a water softener - a particularly valuable addition for this hard water area. Completing the ground floor is a practical cloakroom/W.C. and a superb rear aspect lounge/dining room, enhanced by air conditioning and flooded with natural light thanks to doors opening directly onto the

beautifully landscaped south west facing garden ,the perfect space for entertaining or simply relaxing in the afternoon and evening sunshine.

Further enhancing the home's appeal is the professionally installed multi room air conditioning system, added in 2022, which provides efficient year round climate control. The system remains under warranty and was most recently serviced in 2026, offering complete peace of mind.

Upstairs, there are two generous double bedrooms, both comfortably accommodating king-size beds and benefitting from fitted wardrobes, USB charging points and individual air conditioning units. The principal bedroom enjoys the luxury of a contemporary en-suite shower room, while a stylish family bathroom serves the second bedroom. A boarded loft with fitted shelving provides excellent additional storage.

Outside, the property continues to impress with a garage featuring an electric up and over door, an electric vehicle charging point and an allocated parking space.

This is a superb opportunity to acquire a nearly new home that has been thoughtfully upgraded throughout, offering stylish, low-maintenance living with all the benefits of a modern build. Early viewing is highly recommended.

The property sits equal distance of both Ewell West Station, and Chessington North (Zone 6) and also Tolworth Station (Zone 5)
