"My fiancée and I have loved restoring the beautiful Victorian features of this house. The floors and fireplaces had been covered for decades so we were excited to find them remarkably unspoiled. Beyond the house we'll miss the incredible location. Our quiet road is home to a close-knit community of families and a regular street party, while Gloucester Road offers endless indie shops, cafés and events to explore. Special mention to weekend charity-shop crawls via Joe's Bakery and FED 313!"
