13 George Street, Ryde, Isle of Wight, PO33 2EB

£199,950

And now for something a little different! A truly individual home with real charm and a few surprising features. It sits a 100 yards or so off the Esplanade at Ryde and as such is literally a minute or two from the beach; beachfront cafe's and bars, plus all the local travel facilities including buses, trains and both the hovercraft and passenger ferry crossings to the mainland. The pretty facade is punctuated with a bay window and capped with a parapet wall to conceal the roof from the street scene. A side pathway accesses the rear 45ft courtyard garden which is home to a selection of interesting outbuildings used as garden rooms, a study and storage. At lower ground there is a substantial cellar which will prove to be a helpful attribute for some or at the very least useful storage for surfboards and kayaks to be carried across the road to the beach. The interior is generally well presented and favours a traditional 2 formal reception room and stylish kitchen ground floor and 2 bedrooms and a smart modern shower room upstairs. George Street is a residents parking permit zone and the nearest car park is along the Esplanade. Union Street is the main shopping area of Ryde and this continues to meet the High Street pedestrianized area. These are literally just around the corner offering plenty of convenience to this chain free home. A permanent residence, weekend bolthole or a holiday home, the only question is how will it suit you best!
