This rarely available and imposing, four bedroom Victorian family home has original features throughout. With three meter high ceilings, fireplaces in the bedrooms and a cast iron, claw foot bath tub, the property further benefits from off street parking and is located in one of Surbiton's premier roads.

On the ground floor there is a large bright hallway, a downstairs cloakroom with W/C. The bright living room has huge bay windows and original stripped wood floorboards. This leads through to a generous dining area with a large skylight and an integrated kitchen. There is a further reception space/study that would also serve well as a studio or an opportunity to extend the kitchen further. Upstairs are four double bedrooms, three with fireplaces and a 16 foot bathroom To the rear is a South/East facing secluded garden with patio area and mature planting and to the front is off street parking for two cars. The house is in excess of 2000 sq ft and also has potential to extend further (STPP).

Victoria Avenue is a sought after tree lined road in a conservation area in the heart of Surbiton near the River Thames. With access to Victoria Park at one end and Brighton Road at the other.
