Set back behind a driveway and front lawn is this impressive semi-detached home. With Edwardian features throughout you are met with bay windows and a stunning stained glass door that set the tone perfectly for the rest of the house. A large hallway provides a warm welcome with doors leading to two reception rooms, the dining kitchen, and a cloakroom. The reception rooms boast the high ceilings that you will find throughout the home, and are both generous in size. The front reception benefits from the glorious bay window, whilst the rear offers patio doors leading out to the south facing garden. The dining kitchen also sits at the rear, with skylights set within a vaulted ceiling making the most of the southerly-facing aspect. The kitchen area itself is modern with handle-less high-gloss cupboards and drawers and a central island unit. Bi-folding doors lead out to a large patio in the garden. A cloakroom and a large under-stair storage cupboard complete the ground floor accommodation.

The five bedrooms and three bathrooms are set over the top two floors. The first floor commands the master suite with bedroom and en-suite shower room spanning the width of the property, with another bay window adorned with stained glass offering substantial space and sitting alongside a modern en-suite. The two further bedrooms on the first floor are both doubles, and there is a contemporary family bathroom with four piece suite comprising standalone bath, walk-in shower, WC and wash hand basin. To the second floor are the two further bedrooms and another modern shower room. There is under-eaves cupboards providing useful storage, and worth a mention is the charming stained glass window set within an unusual bay nook in the larger of the two bedrooms- a wonderful and quirky look-out spot sitting centrally at the top of the house!

Externally the rear garden is a generous size and a real sun-trap benefitting from a southerly facing position. A large paved patio runs across the rear of the house and leads on to a generous lawn. Enclosed by wooden fencing and mature hedging there is access down the side of the property leading to the driveway at the front.
