3 Bedrooms
Bungalow - Detached

An exciting opportunity to acquire a generously proportioned three bedroom bungalow family home, enjoying a generous footprint, private garden and wonderful views towards Castel Coch. Having been constructed in the mid 1970s, this is the first time the property has been offered for sale, making this a particularly rare opportunity to acquire a home that has been in the same ownership for generations. The property has been extended over the years and now offers excellent accommodation, with two reception rooms, an extended kitchen diner, WC, three bedrooms and a generous four piece family bathroom. The property would benefit from a programme of modernisation, but offers huge potential for a purchaser looking to create a fantastic family home. The double length garage is particularly useful and also offers further potential for conversion, subject to the necessary consents. Externally, the property enjoys a generous frontage with a substantial driveway providing multiple parking spaces, while the private rear garden offers excellent scope for landscaping and creating a wonderful outdoor space. The property is well placed for access to the excellent public transport links, highly regarded schools and the excellent local amenities.

To be sold with no onward chain.
