Floor Plans

Ground Floor

You are welcomed into a practical entrance hallway leading to two good-sized reception rooms. Both reception rooms benefit from a recent damp proof course. The first is a cosy snug featuring a electric fire, while the second reception room is bright and airy, boasting two large uPVC windows that flood the space with natural light. It also offers handy under-stairs storage and opens into the kitchen. The kitchen provides ample room for all modern amenities and leads out to the rear yard. There’s also a useful downstairs family bathroom with a three-piece suite and an overhead electric shower.

First Floor

Upstairs you’ll find three well-proportioned bedrooms. To the left is a large double bedroom with plenty of light and space. To the right are two further bedrooms – one accommodating a small double bed with storage, and the other a bright single room. At the end of the landing is a useful box/storage room, ideal for a small home office or extra storage.
