A two bedroomed apartment with a little more space than expected...

Venturing up to the second floor, the apartment sits to the rear of the development and comprises a good sized living room which sits separately to the kitchen, both enjoy a leafy view out.

There are two proportionate bedrooms, making the apartment ideal, perhaps, for sharers; or perhaps for the second to be used as a study.

There's also a three piece bathroom suite.

Kings Court sits towards the top of Kings Mount, Oxton, within a 5 minute stroll of Oxton Village, and less than a 10 minute walk of Borough Road with direct bus links to Liverpool - perfectly positioned for those looking for the simpler of commutes.

We believe current service charge sit at £110.08 per month, with 114 years remaining on the lease. Please consult with your solicitor to obtain further lease details.
