62 Watersmead Drive, Littlehampton, West Sussex BN17 6GH
£425,000

Watersmead Drive is ideally positioned for access to Littlehampton and the surrounding coastal communities, with local shops, schools, parks and everyday amenities all within easy reach. Rustington is also nearby, offering a wider selection of shops and services, while Littlehampton's seafront, beach and town centre are readily accessible. For commuters, the nearby A27 provides convenient connections towards Worthing, Brighton and further afield along with plenty of bus routes and Littlehampton mainline railway station. With its combination of excellent family accommodation, practical parking and a well-connected location, viewing is highly advised to appreciate everything this property has to offer.

On the ground floor, the welcoming entrance hall leads through to the kitchen/breakfast room which is complete with fitted units alongside fitted seating nestled in the bay window. The well-proportioned living room provides a comfortable and versatile space for relaxing and entertaining, with patio doors leading out to the rear garden. A downstairs cloakroom as well as a storage cupboard completes this level. The first floor provides three bedrooms, together with the family bathroom and useful storage. The dual aspect bedroom two is of a particularly good size with fitted wardrobes along with an en-suite shower room. The impressive principal bedroom occupies the entire second floor, offering a substantial bedroom space complemented by its own en-suite shower room and expansive built-in storage. This arrangement makes the upper floor feel particularly private and benefits from another storage cupboard on the landing.

Outside, the property enjoys a pleasant position within the development, with a paved frontage providing off-road parking in-front of the garage. The rear garden offers a manageable outdoor space for relaxing, entertaining and family use, with the surrounding development also providing plenty of green space and a welcoming residential setting. The garden benefits from both a patio area and astro-turf area, along with decking, shrubbery and a storage shed. A side gate leads back through to the driveway, whilst the garage door offers access from the garden into this space. The combination of a generous internal footprint, three-storey layout, garage and parking makes this a particularly versatile home for growing families.
