Vendor Comment

"This flat is great.

The location is ideal - being so close to Westbury is a real advantage, with its independent shops and amenities, and Badocks Wood is a huge source of calm, where we walk every day. The Greenway Centre is just up the road, with a fab gym and a thriving source of community, there's also David Lloyds a 4 minute walk away. For more green, there's Canford Park and Blaise Estate super close by too.

The flat is surprisingly spacious - the office room allows us both to work from home without worry - and the whole flat gets the most incredible light, the sunsets are stunning. In the summer, looking out the windows feels like you're in the canopy! The church bells on a Sunday morning are a beautiful thing too.

Recently redecorated and really looked after, this flat has been perfect for us. Now with a young child, we've just outgrown it, but we've loved living on Elmfield Road and we're excited for whoever finds their home here next."
