£535,000

Situated on a popular modern development on the fringes of Royal Wootton Bassett on the door step of the RWB country Park, this beautifully presented four-bedroom detached home has been thoughtfully enhanced by the current owners, most notably with the addition of a superb garden room, creating a versatile and stylish living space ideal for modern family life.

The ground floor comprises an entrance hall, a comfortable living room, and an impressive open-plan kitchen/dining room forming the heart of the home. A separate utility room and cloakroom add practicality, while the stunning garden room provides an excellent additional reception area. Complete with a log-burning stove and contemporary corner bi-fold doors opening onto the rear garden, it creates a seamless connection between inside and out, making it perfect for both entertaining and everyday living.

To the first floor are four well-proportioned bedrooms. The principal bedroom benefits from an en-suite shower room, whilst the second bedroom also enjoys its own en-suite, making it ideal for guests. Two further bedrooms are served by a stylish four-piece family bathroom.

Externally, the property offers a fully enclosed rear garden, garage and generous driveway parking for 3 vehicles.

The home is further enhanced by uPVC

double glazing, gas-fired central heating, 16 solar panels with battery storage and a Zappi electric vehicle charging point, helping to improve energy efficiency and reduce running costs.

Royal Wootton Bassett is a thriving market town offering an excellent range of shops, cafés, public houses, supermarkets, leisure facilities and well-regarded schools. Conveniently located within easy reach of Junction 16 of the M4, the property provides excellent road links to Swindon, Bristol, Bath and London.
