PROPERTY OVERVIEW

This mid-terrace property on Marshfield Avenue presents an excellent investment opportunity, ideal for buyers seeking a full renovation project. The property has been partially stripped back, offering a blank canvas for modernisation and redevelopment.

Internally, the bathroom has been removed and currently only a toilet remains in place. All carpets have been taken up throughout, and the ground floor has been rewired, providing a solid starting point for further works. The existing kitchen is still functional; however, a brand-new kitchen (purchased from Howdens) is included in the sale, though it has not yet been installed.

The accommodation is generously proportioned, comprising a ground floor dining room which offers flexibility and could be utilised as a fifth bedroom if required. Across the first and second floors, there are four additional bedrooms and a family bathroom located on the second floor.

Externally, the property benefits from a rear courtyard and garage, adding to its appeal for both investors and future occupiers.

Originally intended as a renovation project, it will be sold as seen, making it particularly attractive for investors, developers, or buyers looking to create a bespoke home.
