GUIDE PRICE £280,000-£290,000..... This well presented two bedroom home is located in the village of Southminster. Southminster is a semi-rural village in the Dengie Peninsula area, popular with commuters due to its train station with links to London. The village also benefits from scenic walks, a primary school, tennis and football club, swimming pool, various shops, restaurants and public houses, something for everyone and ideal for families. The local towns are Burnham-On-Crouch which is within 3 miles, Maldon and South Woodham Ferrers both within 12 miles. The village has many character properties, cottages and Victorian residence. Historically the village was known for its annual horse market, and in the centre, St Leonards Church at the heart of the village dates back to the 15th century.

The accommodation commences with an entrance hall leading to the spacious lounge area, making an ideal room to spend time as a family or for hosting guests. The ground floor also comprises a kitchen with fitted units to eye and base level, and an additional reception room/dining room and a utility/boot room to the rear. To the first floor there is a landing providing access to the two double bedrooms and the modern family bathroom suite. Externally, the property benefits from off-road parking to the front and rear. A low maintenance rear garden which includes a paved patio seating area, artificial lawn area, decorative shingle, flowers and shrubs. The property would make an idea first time purchase, or home for someone downsizing. Viewing comes highly recommended.
