Positioned only 3 miles from King's Lynn on the Northern edge of the town, **North & South Wootton** are popular residential locations. The area is well served by a range of local amenities including primary schools, doctors surgery, mini-market and village halls to name a few. Further amenities are available in the centre of King's Lynn, a historic market town well known for its two market squares, quayside and Custom House, with a range of national and independent retailers along with restaurants and cafes. Larger retailers and superstores can be further found on the Hardwick Retail Park, positioned on the Southern edge of the town. The Woottons is well placed for easy access to the surrounding Norfolk Countryside with the neighbouring conservation village of Castle Rising complete with 12th century castle and Royal Sandringham both on the doorstep. The West & North Norfolk coastline is also only a short distance away, well known for its sandy beaches and broad skies, with the seaside town on Hunstanton being around 20 minutes by car with regular 'Coasthopper' bus services. Most advantageous to King's Lynn is the mainline railway providing a direct route into London Kings Cross via the cities of Ely & Cambridge. Road links are also good with the A47 trunk road to Norwich & Peterborough, both in around 1 hour, A10 into Cambridgeshire and A17 into Lincolnshire. "Whitestone" is a detached, rendered and painted residence with hipped tiled roofs and later extensions providing a good amount of internal accommodation. There are extensions to the rear of both the living room and kitchen along with a single storey section to the side affording a separate study, which could offer opportunity to create a home working space or ideal children's playroom. To the first floor, all three bedrooms are doubles with the principal bedroom boasting its own dressing room fitted with pine furniture. There is UPVC double glazing installed throughout along with gas fired central heating via wet radiators. Of particular note is the attached Tandem Garage – some 32' in total length, this could make an ideal workshop space or provide dry storage for vehicles, boats, etc. Externally, the property is low maintenance with the garden being mostly laid to paving and planted borders. The property has been in the same ownership for many years and now provides opportunity for a new owner to create an excellent family home close to local schools and amenities.
