ROBERT ELLIS ARE DELIGHTED TO WELCOME TO THE MARKET THIS UNUSUAL AND RARE OPPORTUNITY TO ACQUIRE A RELATIVELY MODERN TWO BEDROOM DETACHED HOUSE SITUATED IN THIS TOWN CENTRE LOCATION.

Once providing the gateway and entry to the historic Stapleford Pencil Works, this (believed to be) late 1980's/early 1990's two bedroom detached house sits on a generous overall plot with gas central heating from a combination boiler, double glazing, off-street parking, garage and a generous enclosed rear garden.

The property's accommodation comprises entrance hall with meter cupboard and staircase rising to the first floor, living room and kitchen diner to the ground floor. The first floor landing then provides access to two bedrooms and a bathroom suite.

The property is located in this central town centre location within walking distance of all the shops, services and amenities available in Stapleford. There is also easy access to good transport links such as the i4 bus service, the A52 for Nottingham and Derby and Junction 25 of the M1 motorway. For those needing schooling, there is also easy access to both William Lilley and Fairfield Junior Schools, as well as George Spencer Academy Trust.

We believe the property will make an ideal first time buy or family home and we highly recommend an internal viewing.
