Property Description

The development encompasses the property's coastal location with a brick wall entrance façade, accented with boat, anchor and brick seagull detailing's.

Externally you have a timeless full brick exterior with stone accents, along with an elegant gabled porch and wrought iron railings. Upon entry you have a welcoming entrance hall, opening into a generous open plan living area and kitchen.

The contemporary kitchen features a glossy porcelain tiled floor, complemented by the high gloss units and a white laminate worktop, where you will find a range of integrated appliances, including a washer-dryer, dishwasher, oven, electric hob, and extractor.

The kitchen benefits from French patio doors which open out onto the patio to provide an inside outside feel beautifully linking the spacious interior with the paved terrace and landscaped garden. There is also a shed which is handy for extra storage space.

Downstairs also lends itself to a usefully placed WC, benefitting from a vanity unit, full mirror, and is fully tiled. The glossy porcelain tiled floor also extends into here.

Upstairs, there are two spacious double bedrooms both of which benefit from luxurious sliding mirrored wardrobes with a traditional walnut trim. The master bedroom also has the luxury of extensive views over Hastings and Ore, with far reaching views across to the sea.

Adjoining both rooms is the main bathroom which beautifully finished with sleek beige tiling, full width mirror, white sanitary ware and chrome fittings. There is also a bath/shower mixer, heated towel rail and a shaver point.

The property is located in a quiet no-through road, with access to a private off-street parking space, along with several visitor spaces throughout the development.
