SELLER INSIGHT

“ When we first found 9 Kenderdine Close, we knew immediately it was something special. Tucked away in a secluded setting, with only ten executive-style homes on the entire street, it offers a rare sense of privacy and exclusivity while still being close to everything you need. It feels wonderfully hidden away, yet Stafford town is just a short drive away, giving you the perfect balance of village quietness and modern convenience.

Over the years, we have invested heavily in transforming the house into a truly exceptional family home. The improvements have been extensive, including fitted wardrobes in the bedrooms, beautifully renovated upstairs bathrooms, and relocating the boiler into the attic to create space for a much more practical and luxurious shower room. The addition of the stunning glass staircase instantly modernised the feel of the home and brings a real “wow” factor as you enter.

One of the biggest changes has been our substantial extension, creating a second kitchen, a sauna, and a third bathroom downstairs. The kitchen space is outstanding for entertaining – we have comfortably hosted 15 to 16 people, with the layout flowing effortlessly into the garden. Some of our happiest memories have been made here, including hosting our stepdaughter’s wedding right here at the property, along with countless family gatherings.

The garage has been converted into a professional-standard, bespoke gym, which has been an absolute luxury to have on the doorstep, especially paired with the sauna. There is also a dedicated home office near the entrance, perfect for working from home while keeping work and family life separate.

Outside, the home continues to impress. The garden is the largest on the street, offering generous space for relaxing, playing, and entertaining. With a log cabin and bar area, it is an incredible setup for summer evenings and celebrations.

With a finish that is truly move-in ready, this is a home that has been loved, upgraded and enjoyed to the fullest. Now, it is ready for its next family to create their own memories here.*
