Stepping inside, the home immediately feels bright and airy, with a high-quality finish running throughout. A particularly attractive feature is the stylish white porcelain flooring with a subtle grey marble grain effect, which flows across the ground floor and continues up the staircase, creating a smart and contemporary feel.

The modern kitchen is positioned to the front of the property and has been finished in a sleek, contemporary style. To the rear, the spacious open-plan lounge/diner provides an impressive living and entertaining space, beautifully presented and filled with natural light. From here, there is direct access out to the rear garden.

The south-facing garden is another real highlight of the property, offering a lovely private outdoor space to enjoy throughout the day. Wrapping around the property, the garden provides plenty of space for relaxing and entertaining, while also offering convenient rear access into the garage.

Upstairs, there are two generously sized double bedrooms, one of which benefits from built-in storage. Completing the accommodation is a sleek and stylish family bathroom, finished in a contemporary white suite and comprising a bath with an overhead shower.

Further benefits include a new heating system installed in 2025, adding to the peace of mind that comes with this extensively refurbished home.
