THE PROPERTY

This modern four-bedroom home forms part of a small private development, nestled on the edge of open farmland and enjoying fabulous far-reaching countryside views. Beautifully presented and filled with natural light, the accommodation flows well and is thoughtfully arranged to take full advantage of its position and outlook.

The welcoming entrance hall features a tiled floor and leads through to a fitted kitchen with granite worktops, integrated fridge/freezer, dishwasher and washing machine, as well as a range-style cooker with gas hob and electric ovens. Sliding doors open directly onto the garden and patio area.

There is a separate utility room, well fitted with a range of cupboards and worktops, together with tumble dryer, undercounter fridge, wine chiller and glazed wall units.

The spacious living/dining room provides an excellent entertaining space, with a large window framing the dining area and overlooking the garden. The living area offers ample room for sofas and a TV, with an archway leading through to the garden room, a standout feature of the property, offering a versatile additional living space with superb views.

Upstairs are four well-proportioned bedrooms. The principal bedroom features fitted wardrobes, a Juliet balcony, and a stylish en-suite shower room. Bedroom two also benefits from its own en-suite shower room, while bedroom three enjoys a box bay window. Bedroom four is currently arranged as a home office, with the family bathroom serving the remaining bedrooms and completing the accommodation on this floor.

Further benefits include gas central heating, double glazing, a garage, and off-road parking.

OUTSIDE

The private garden wraps around the house and is beautifully maintained, being mainly laid to lawn with well-stocked shrub and flower borders. A generous patio provides an ideal space for outdoor entertaining, with a further seating area offering a choice of aspects within the garden.

In addition, there are well-kept private communal gardens extending around the development, mainly laid to lawn with a variety of mature trees and gravelled pathways.
