STEPHENSON BROWNE

Welcome to this three-bedroom home, full of potential and ready for someone to put their own stamp on it. Although in need of updating, the property offers a fantastic opportunity for renovation and personalization.

You enter through a practical entrance hall with space for storing coats and shoes. From here, you move into a well-proportioned reception room, ideal for creating a comfortable living space. At the rear, a bright sun room provides additional relaxation space and overlooks the garden.

The large kitchen offers excellent scope for redesign and includes useful understairs storage/pantry.

Upstairs, the home features three bedrooms, two good-sized doubles and a smaller box room that could work well as an office or nursery. There is also a convenient wet room on this floor, along with a separate boiler room/airing cupboard providing valuable storage.

The property further benefits from vehicle access via the rear of the home, offering flexibility for parking or additional storage.

Overall, this is a fantastic opportunity to transform a well-located property with great space and layout into a modern, personalized home.
