Cherry Croft is a modern detached bungalow, offered to the market chain free and situated within a quiet, well-regarded part of the village of Ashill. The setting combines a peaceful residential environment with open field views to the rear, creating a strong sense of space and privacy while remaining well connected to nearby amenities.

Designed with comfortable and efficient modern living in mind, the property benefits from an air source heat pump and underfloor heating throughout, helping to support lower running costs and year-round comfort. The layout has been thoughtfully planned to suit both everyday life and entertaining, with the open-plan kitchen-diner forming a natural hub of the home. With a heightened sense of space due to the vaulted ceiling, the dining area flows effortlessly into the wider living space. A separate utility room adds valuable practicality, keeping day-to-day tasks neatly tucked away.

The generous lounge provides a welcoming space to relax; with a vaulted ceiling providing scale and a wood-burning stove adding warmth and character, it's equally suited to cosy evenings as it is to social gatherings. The balance between open-plan living and defined rooms offers flexibility without compromising comfort.

Accommodation is arranged across three well-proportioned double bedrooms, supported by an en suite and a separate family bathroom. This layout makes the property well suited to a range of buyers, including families, downsizers or those seeking single-storey living without compromise. The bedroom arrangement also allows for privacy and adaptability, whether for guests, home working or hobbies.

Externally, the property is complemented by a double garage and features outdoor lighting for convenience. The pleasantly sized rear garden offers space for outdoor dining as well as ample options for gardening or 'growing your own', with raised vegetable and herb beds, a greenhouse and various fruit trees. An open outlook across adjoining fields to the rear enhances the feeling of rural living. Ashill is a popular village with a strong sense of community, while offering straightforward access to the market towns of Watton and Swaffham for shopping, schools and everyday services.

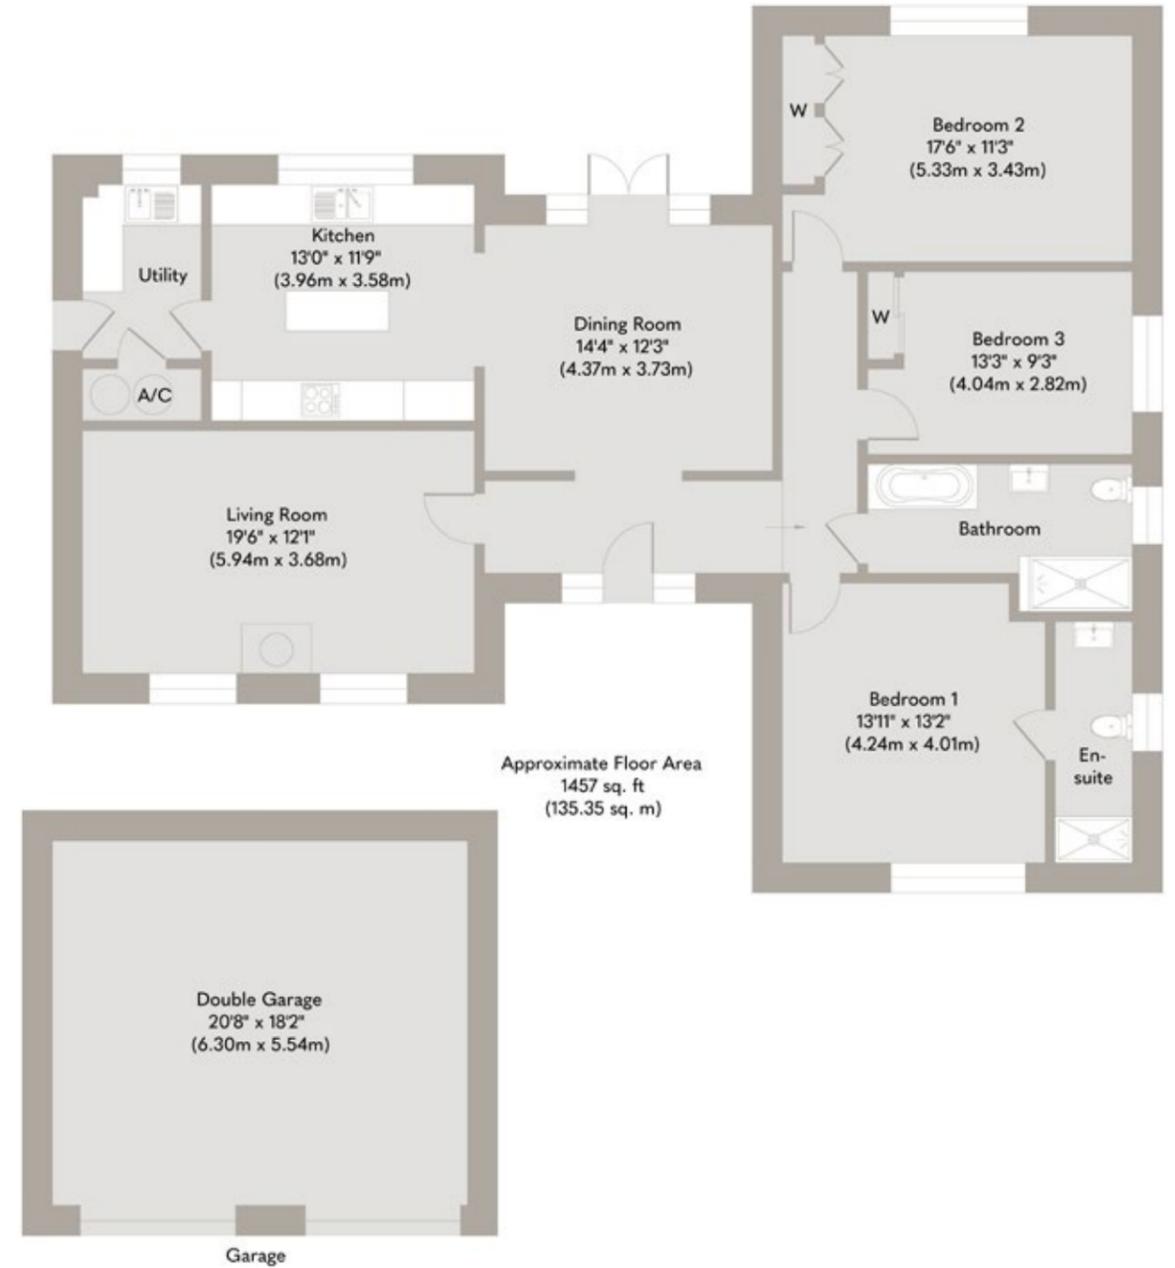

Designed for comfortable, efficient modern living, ideal in every season.

Cherry Croft presents a well-balanced lifestyle opportunity, combining modern efficiency, generous accommodation and a desirable village setting, all available with the added benefit of no onward chain.
