This beautiful and very individual, detached stone-built property would make an ideal family home. It has been extremely well built with real attention to detail. Main features include stunning views, detached garage with a multi-purpose room above, generous, well stocked gardens to be able to sit and enjoy this fabulous setting, ample parking and an ideal position that is secluded yet close to all the outstanding Schools and amenities that desirable and popular Cheddar has to offer. These include many bars, restaurants, vibrant cafes, deli, library, hairdressers, barbers, butchers and fishmongers, supermarkets, sports centre, boutique and bakery to name just a few. We strongly recommend that you view this home to appreciate what it has to offer.
