Rosian House is a spacious and well-presented four-bedroom detached family home, enjoying a privately positioned setting with attractive open field views to the front. Offering generous and versatile accommodation, including a superb open-plan kitchen and dining area, sunroom, utility room, two bathrooms and an integral double garage, this is a fantastic home for a growing family. Further benefits include a replacement boiler, windows and external doors, all installed in 2021.

The property opens into an impressive and spacious entrance hallway, with stairs rising to the first floor, a useful understairs storage cupboard and doors leading into the principal ground-floor rooms.

The generously proportioned lounge features a large front-facing bow window, allowing plenty of natural light to fill the room while making the most of the open outlook. A feature fireplace provides an attractive focal point and creates a welcoming setting in which to relax.

At the heart of the home is the excellent open-plan kitchen and dining area. The sleek modern kitchen is fitted with a comprehensive range of wall and base units, complemented by ample work surfaces. A central island incorporates an induction hob with an extractor above, together with useful storage beneath. Integrated appliances include a double oven, under-counter fridge and freezer and dishwasher.

There is plenty of room for a large family dining table, making this a wonderful everyday living and entertaining space. An opening leads through to the bright sunroom, which enjoys views across the rear garden and provides a lovely additional reception area for relaxing. French doors open directly onto the paved patio and garden beyond.

Adjoining the kitchen is a practical utility room, providing additional fitted storage and an integrated washing machine, together with a rear entrance door. From here, there is access to the ground-floor W.C. and the integral

double garage.

To the first floor are four well-proportioned bedrooms. The spacious principal bedroom benefits from an excellent range of fitted wardrobes and its own en-suite shower room. Bedroom two is another generous room with a useful fitted cupboard, while bedroom three is also a comfortable double. The fourth bedroom is a good-sized single and would work equally well as a nursery, dressing room or dedicated home office.

Completing the first-floor accommodation is the generously sized family bathroom, fitted with a panelled bath, separate shower cubicle, vanity wash hand basin and W.C.

The main house loft is accessed via a fitted ladder and has been boarded and fitted with lighting, providing excellent additional storage space. A further loft area is available above the double garage, accessed with lighting and some boarding providing further useful storage.

Outside, Rosian House enjoys a privately positioned frontage screened by established conifer hedging. A generous gravel driveway provides ample off-road parking and access to the integral double garage, while open fields opposite create an attractive rural outlook.

The fully enclosed rear garden is ideal for children, pets and outdoor entertaining. Mainly laid to lawn, it features established planted borders and mature trees, along with a large paved patio providing plenty of space for outdoor seating and dining.
