Situated on the first floor of this period property and tucked away in the village of Colnbrook, B Simmons are excited to present to the market this unique split level flat offering much charm and character, with access to communal gardens and gated off street parking. This property also comes with the benefit of a share of the freehold.

An internal viewing is highly recommended. As you enter through the front door you can see the time, effort and detail the current owner has put in to creating this family home. There is an open plan living room with a feature fireplace, leading into a kitchen fitted with a range of matching wall and base unit, wooden worksurfaces and period tiled flooring. The entrance hallway has a beautiful tiled floor with stairs leading to an upper floor and the master bedroom, with a vaulted ceiling and character beams, a study/office area and access to large storage eaves. There is a second bedroom which is currently set up with a double bed and a bi-folding door leading back to the hallway. A contemporary shower room has been installed by the current owner but still retains its charm with some personal finishing touches. Outside there are communal gardens and a gated residents car park with an allocated space for one car.

Colnbrook is a stunning village to the south-east of Slough, offering all local amenities such as shops, takeaways, pubs and off licenses. The village is well connected with regular buses and 10 minutes away from Heathrow Terminal 5 underground station, whilst still only a short drive to the M4 (J5) and Langley Railway Station, Elizabeth Crossrail Line.
