IF YOU LIVED HERE...

The entrance hall sets the tone for the generous proportions found throughout. At the front, the largest reception room is filled with light from its broad angled bay window, while a second reception sits across the hallway. A third reception room lies further towards the rear, offering useful flexibility for family life, entertaining or working from home.

The kitchen and dining room stretches across the rear of the house, with a large central island, extensive cabinetry, rooflights and broad glazed doors opening onto the garden. Exposed brickwork brings warmth to the space, while the adjoining utility room and downstairs WC add welcome practicality without interrupting the main living areas.

Upstairs, four bedrooms are arranged around the central landing. One of the larger bedrooms has its own dressing room, while a separate bedroom on the opposite side of the floor has an en suite shower room. The remaining bedrooms are served by the generous family bathroom, which includes a freestanding bath, separate shower and twin basins. The house has been carefully maintained throughout, while the large corner plot offers exciting possibilities for the future, subject to planning permission.

WHAT ELSE?

- Highams Park Station is a short walk away, with direct Weaver line services to London Liverpool Street and connections to the Victoria line at Walthamstow Central.
- The village centre has a strong independent character, with local favourites including Vino Tap and the community-focused Stag & Lantern micropub.
- Ainslie Wood is moments away, offering ancient woodland, spring bluebells and peaceful walking routes, while Highams Park Lake and Epping Forest provide even more green space nearby.

A WORD FROM THE EXPERT...

"Around the corner from our E4 office are The Stag and Lantern and Vino Tap, known for their craft beers and natural wines. If you fancy a nice coffee pop into Biba & Wren Coffee Shop or pop over to Grace and Albert for anything gift or homeware related. My favourite local walk to where I live is through Epping Forest from Highams Park to Chingford Plains, ending at The Butlers Retreat.

If you fancy a bike ride The Lea Valley is expansive and offers plenty of different routes in and out of London. The area is the perfect halfway house, offering all the benefits of London but with the green space and community feel of a countryside village! I also love the variety of different architecture on offer throughout E4".
