Paul Carr Estate Agents are delighted to offer for sale this well-presented and substantially improved two-bedroom semi-detached home, pleasantly positioned on Stone Avenue, a quiet cul-de-sac within convenient reach of Fairfax Academy, local shops and amenities, playing fields and everyday transport links.

Approached via a paved pathway with a lawned fore garden, the property is entered through a useful, enclosed porch, leading into a home that combines generous proportions with a smart contemporary finish.

The front lounge provides a comfortable and inviting reception space, centred around a feature fireplace with a striking dark accent wall, complemented by a large front-facing window which allows plenty of natural light into the room.

To the rear is an impressive modern fitted kitchen and dining space, finished with a range of high-gloss wall and base cabinetry, contrasting wood-effect work surfaces and stylish marble-effect flooring and splashbacks. There is ample preparation and storage space, an integrated cooking area with electric hob and oven, sink and drainer, together with a substantial peninsula/breakfast bar arrangement which gives the room a sociable feel. The kitchen also benefits from contemporary lighting and opens directly into a useful conservatory, providing an additional versatile space overlooking the rear garden.

To the first floor are two particularly generous double bedrooms. The principal bedroom enjoys excellent proportions with plenty of space for freestanding furniture, while the second double bedroom is similarly well-sized and naturally bright.

Completing the first-floor accommodation is the striking family bathroom, fitted with a modern white suite comprising a panelled bath with shower over, wash hand basin with vanity storage and WC. Full-height marble-effect tiling gives the room a smart, contemporary finish.

Outside, the property benefits from a substantial and private rear garden, offering excellent potential for buyers wanting a generous outside space. A large paved patio provides room for seating and entertaining, with additional lawn, established planting and fenced boundaries extending towards the rear.

A spacious and stylish home with particularly strong room sizes, a modern kitchen, two genuine double bedrooms and a generous garden, Stone Avenue would make an excellent purchase for first-time buyers, couples or those looking to downsize without compromising on living space.
