A well appointed, two bedroomed, terraced house with outbuildings and generous rear garden.

From the hallway, the lounge offers tall ceilings and bay window allowing plenty of natural light into this space. The separate dining room offers space to entertain and eat and is next to the kitchen for ease.

The kitchen hosts a range of wall and floor units with dark worktops. There is space for oven/hob and fridge/freezer and washing machine. The kitchen also has a door leading out into the rear garden.

Upstairs, two well-proportioned bedrooms await, each thoughtfully arranged to maximise natural light and provide restful retreats at the end of the day. The principal bedroom offers ample room for a king-sized bed and wardrobe, while the additional bedrooms provide flexibility for a nursery, home office, or guest space.

The bathroom is partially tiled with black subway style tiles and comprises bath with shower over, sink and toilet.

Outside to the front is a low-maintenance forecourt. To the rear is a lawned garden mainly laid to lawn with patio area. There are also a couple of outbuildings which would be handy for storage.
